

CAS

WHO WE ARE

CAS is an international company established and registered in Abu Dhabi, UAE since 1994 with many years of experience and acquired competences, CAS has become a leader in Defense and Commercial equipment, providing innovative solutions and systems integration for our customers.

With two locations (UAE and USA) we are dedicated to our customers' mission critical requirements to ensure total satisfaction. This is accomplished through in house capabilities, our large network of business partners and access to products and services spanning Aviation, Military ground vehicles and various support equipment.

Through our years of experience, we have built our strength and continue to grow as a dedicated support element in the Governmental security in the GCC region.

Creativity, innovativeness, quick action, and teamwork are what we find essential in business to meet and exceed our customer's expectations. CAS develops resources to quickly respond to the changes occurring worldwide and meet diverse customer requirements in the region.

The CAS Team in both our UAE and USA facilities is passionate, visionary and energetic in all aspects of daily business. We attach particular importance to values such as trust, responsibility and ethical business practices.
